The yearbook this year is based on the theme "The Way We Are". While looking and reading through the '76 Oracle look and see how we have captured our School at such times as the County Tourney, Homecoming, Prom, Graduation, and around our school. You will see that we have just captured a small part of our school and "The Way We Are." So on we journey thru the '76 yearbook.

Leo varsity football took a step backward going from a championship 8-1 record in 1974 to a mellow 5-5 record this year. The Lions won their first five games in a row and then lost five straight. The Reserve was undefeated and unscored upon with a fine 8-0 record. Varsity Coach, Mr. Lake, earned his first gray hairs at Leo as the Lions won against both Prairie Heights and Southern Wells in the final two minutes of play. The Lions' strongest performances came against Lakeland and Churubusco while they also played a solid game in a losing effort against a tough Garrett team. Assistant Coaches: Mr. Gabet, Mr. Steinhauser, Mr. Kerbal, and Mr. Dubach helped the Lions tremendously in their preparation for each game. Seniors, Lester Stoller, Cliff DeWells, and Gary Roberts, were selected All-Conference while Phil Bollier, Gehard Maier, and Junior Todd Holderman were Honorable mention choices.

This years cross country team had a very rough season. This year was a rebuilding year as there were 3 freshmen, 5 sophomores, and 4 seniors on the squad. It was a very extraordinary year for them, because Sue Miller was the first girl in Leo History to compete with the boys in a varsity sport. The school record was reset this year by Curtis Liechty, his time was 13:28.

Record Leo 11-0

This year's volleyball team had a very productive season again this year, by going undefeated. The volleyball team continued its reputation by being one of the best teams in the area for the past couple of years.

In the past five seasons of competition the Lions have compiled a record of 46-1 and have won the ACAC tourney all five years. This year's team will suffer heavily in the graduation loss of Rick Gerke, Mike Shoaff, Duane Hankey, Conrad Beachy, Jeff Platt. But the underclassmen will work hard to continue the reputation of the Lions in the next year's volleyball competition. Conrad Beachy was selected All-Conference.

The team was very small this year and they had a new coach, Mr. Butler. At ACAC they were defeated by a tough Norwell team, and had one injury, Sara Crabill, who was well by sectionals. They compiled a record of 13 wins - 3 losses. Everyone had a great year.

Won the conference with a 7-0 record

This year the team was very young with 2 seniors, 3 juniors, 5 sophomores, & 3 freshman. Although young we had experience from a super coach, Miss B. who lead us to a record of 9 wins 12 loses. In the ACAC we were defeated in finals by Norwell. We had lots of good times and the team will always remember the time Cindy Wilson had to wear size 18 shorts and they hung to her knees & all the fun times we had after games.

This was the first year in Leo's history that we have had a wrestling team. For most of the boys this was the first year that they had ever been on a wrestling team. They lacked a lot of experience and were almost always considered underdogs. Being their first year, they usually wrestled in reserve meets but did wrestle a few varsity matches.

The leaders of this year's team were Bill Hicks, who had the record for the fastest pin in 20 seconds; Jon Stuckey, who set the record for being pinned in the fastest 22 seconds; Glenn Gerke had the best individual record, 9-3; he also lead the team in points with 49 and recorded the most pins of 4.

This year's record was 1-8, but Coach Kerbal believes that if there would have been more wrestlers participating that they could have beaten Woodlan, Busco, and Norwell. They lost all three of these close matches by forfeits.

It's All In A State of Mind

If you think you are beaten, you are;
If you think you dare not, you won't
If you like to win, but don't think you can
It's almost a cinch you won't.

If you think you'll lose, you're lost;
For out in the world you'll find
Success begins with a fellow's will;
It's all in a state of mind.

For many a game is lost
Ere even a play is run,
And many a coward fails
Ere even his work is begun.

Think big and your deeds will grow,
Think small and you'll fall behind;
Think that you CAN and you WILL;
It's all in a state of mind.

If you think you are out-classed, you are;
You've got to think high to rise;
You've got to be sure of yourself before
You can ever win a prize.

Life's battles don't always go
To the stronger or faster man,
But sooner or late, the man who wins
Is the fellow who thinks he can.

Don't Drink The Water

On November 18, 20, 21, 22, Mr. Jerry Elton Stover presented Woody Allen's farce, DON'T DRINK THE WATER. With Brent Klophenstein as invaluable student director, Mr. Stover led his players through the adult comedy of a standard American family of an American Ambassador. The setting of the play was the American Embassy in a Communist controlled country. The Senior High Drama Club truly out did themselves in giving their audiences a beautiful set, well-rounded characterizations, and fast paced action. To show their appreciation, the audiences gave the talented group standing ovations every night!

"Pictures by R.D. Whissen'

ABOVE: The four principle players: Bill Purcell, Tony Hudson, Lori Morgan, and Elizabeth Buckles. Tony Hudson again got the girl! This time it was delightful Lori Morgan. FAR RIGHT: Darrell Hankey and Martha Smith played the evil assistant, and the harried secretary respectively. RIGHT: Beth Buckles was, as always, outstanding! She played Marion Hollander, the wife.

FAR LEFT: The priest, who happened to be an amateur magician, was wonderfully played by Dan Kissell, which earned him much praise. LEFT: A distraught Axel (Tony Hudson) held up a drunken sultan (Chuck Stailey) while his wife (Beth Kielar) looked on. BELOW FAR LEFT: Tony Wittwer played a quest at the party on the night the Hollanders attempted an escape. BELOW: Gordie Julius turned in a fine Krojack, who happened to be head of the Secret Police.

ABOVE MIDDLE: Bill Purcell did an excellent job at playing the irascible Walter Hollander.
FAR LEFT: David Martin gave another fine characterization as a French Chef. LEFT: Dawn Liechty made a lovely countess and Barb Daily played an efficient maid; both girls added a lot to the play.

Senior Class Officers

JEFF PLATT: PRESIDENT.
BRENT KLOPFENSTEIN: VICE PRESIDENT.
SUE CRABILL: SECRETARY.
BETH BUCKLES: TREASURER.

WHEN I MUST LEAVE YOU

When I must leave you
for a little while-
Please do not grieve
and shed wild tears
And hug your sorrow to you
through the years,
But start out bravely
with a gallant smile;
And for my sake
and in my name
Live on and do
all things the same,
Feed not your loneliness
on empty days,
But fill each waking hour
in useful ways,
Reach out your hand
in comfort and in cheer
And I in turn will comfort you
and hold you near;
And never, never
be afraid to die,
For I am waiting for you in the sky!

Slowly we walk away,
Graduation Day will wait no more,
We must leave now this snug school,
And embark, a new stange world,
We must leave that which is familar,
And look toward what is new,
So powerlessly we watch and wait,
As our school fades slowly from view,
Straining, we try to recapture,
The moments which are slipping away,
But the progress we make is steady,
Only memories are left for us today.

At the end of every yearbook there is always a letter from the editor. And I suppose that there is no way of gettin' out of it.

So . . . Our bicentennial yearbook staff consisted of "a whole bunch of people" and one teacher.

Thank you goes to my assistant editors, Mona Yoder and Sherry Schaefer. They did the GAA divisions and teachers.

Thank you to Ms. Lomont for designing our cover and for supervising the photo club.

Photo Club, thanks for all of the club and candid pictures and for spending time after school and at home to develop pictures.

Thank you Conrad Beachy, Phil Bollier, and Les Stoller for doing a nice job on the boys' sports.

Candi Weilbaker, thank you for spending the time to go out and sell ads and for keeping our books straight.

Jodi Lederman, thank you for doing the classes session.

Lora Linn and Steph Wolfe, thank you for helping with the senior pages.

Mr. Hoot, thank you for spending your extra time supervising us.

I hope that you have enjoyed our book and the memories in it, and in the future you will be able to look back and see "The Way We Were" in 1976.

Kelli
